

HOW WE COMPARE!

Snack Boxes, Amazon, or Costco

We know you would like to offer free snacks for your office every month, but we also know what a hassle it can be. We are your concierge kitchen service for snacks, drinks, coffee & tea, and more. Let us help you get it done without the headache.

WHAT IT'S LIKE TO USE OH MY GREEN AS YOUR ONE-STOP SNACK AND WELLNESS SHOP...

No more:

- Hunting for new snack variety
- Buying each snack product from Amazon or big club stores
- Researching and reading nutrition labels
- Purchasing for everyone's 'unique' dietary requirements

More time to:

- Actually, educate employees on wellness
- Enjoy a snack yourself
- Get everything else on your to-do list done
- Get home before dinner time

IF YOU CURRENTLY PROVIDE YOUR TEAM WITH FREE SNACKS, IT LIKELY LOOKS SOMETHING LIKE THIS:

Your Current Process:

1. Figure out approximately how many snacks to purchase
2. Go to the big box club store and search the aisles for the healthiest of the snack packs they have, load your cart with heavy drink packs, and hope the coffee you buy will taste good.
3. Wait in long lines
4. Schlep those snacks back to the office
5. Next month, repeat steps 1-4
6. Deal with complaints about the variety or how it's full of GMOs
7. Ignore feedback and repeat the next month
8. Feel unappreciated

With Oh My Green:

1. Know your office headcount
2. Sign-up online for snacks, drinks, coffee, and more in 4 easy steps
3. Receive a shipment of snacks from FedEx
4. Bask in compliments on the great variety of tasty snacks
5. Vote on items the office liked and didn't
6. Next month, receive a new shipment with...VARIETY
7. See the snacks disappear and your team happy
8. Get high fives from office mates
