

# THE \$225 BILLION PROBLEM

Productivity losses due to missed work costs employers \$225 billion, or \$1,685 per employee annually\*. Investing in programs that improve employee health – including healthy eating offerings – reduce absenteeism, increase retention and improve productivity. They also help lower out-of-pocket costs of healthcare and solve the \$225 billion problem.

## 1:6 ROI

For every \$1 invested in corporate wellness, there is a \$5.81 ROI through reduced sick days, higher productivity & lower health care costs.

—  
Glassdoor

## 1.5-2X

Cost of losing an employee can range from tens of thousands to 1.5x-2x of their annual salary.

—  
Deloitte

## 27%

Absenteeism is 27% lower for employees who eat healthier on the job site.

—  
Business News Daily

## 63%

63 percent of employees surveyed cited healthy snacks as something they value highly when it comes to wellness.

## EAT HEALTHY. WORK HAPPY.

Oh My Green helps you create a standout benefit program. Healthy and delicious snacks, beverages, coffee and tea – all from one spot.

### Expertly Curated Snacks

We're snack trend setters. And we fully customize our products to your company's needs and preferences – for diets, food allergies, or even the pickiest of eaters.

### Eliminate Snack Fatigue

Rest assured, you will always get the office faves, while we work to surprise and delight.

### Save Time

No more reorder reminders or harried shopping. We do the tastiness—curation, healthy—verification, and the heavy lifting for you.

### No Contracts

We don't tie you down with contracts. Simple to start, simple to stop, simple to snack.

World-class wellness delivered for your world-class employees!
